8.5 EcoRatings

WHAT DOES THIS MEAN?

An EcoRating of 8.5 indicates that the product surpasses the combined sustainability efforts on ESG criterias by around 25% when compared to others in the category.

Here's what this signifies:

- ▲ A green arrow in your scorecard means that you are doing better than industry standards. Lowering consumption by more than 30% as compared to standards is considered exceptional.
- A yellow arrow in your score shows that you are at industry standards.
- A red arrow in your score shows that you're currently below industry standards, and there is scope for improvement.
